

CATTAI 760 HYBRID

5TH WHEELER CARAVAN

Australian-made for Australian adventures...

Australia's first 'hybrid' caravan and Winjana's longest 5th wheeler – offering customers the best of both worlds – the convenience of a caravan floor plan, combined with the safety of a 5th wheeler; with extra space and storage as well. The cleverly-designed spacious floor-plan includes plenty of storage space; including the large cargo area accessible externally.
